

No.	NAME	TITLE	SUBJECT	LOCATION	University	Faculty	YEAR
1	Ibrahim Abdel Fattah Mahmoud	Biomtric Growth Studies andAge-dtermination of two species of Egyptian Sardines (Sardinella Maderensis Lowe&Sardinella Aurita Cuv.&Val.) in Mediterranean sea	Fish Biology	Mediterranean Sea Alex.	Alexandia	Science	1969
2	Elham Amaly Ahmed Wassef	Study on the biology of Genus Diplodus (Sargus) (L) and Related Spesies of the Family Sparidae in the Mediterranean	Fish Bilgy	Mediterranean Sea	Alexandia	Science	1973
3	Mohamed Ibrahim El-Samra	Chemical & Physiscal properties of the waters of Lake idku & the Mixed waters between the Lake & the sea .	Chemical Oceanography	Lake Idku& Abou Kir Bay	Alexandia	Science	1973
4	Atef Amin Moussa	study of the bottom sediments of Abu Qir Bay	Geology	Abu Qir	Alexandia	Science	1973
5	Ahmed kamel Ahmed Kamel Hassan.	Astudy of The Microbenthic organisms in Lake Edku with special Reference to diatoms .	Mollusca	Abu Qir	Alexandia	Science	1974
6	Zeinab Mahmoud EL Cherif	Study on Bottom Mollusca (Gastropods and Bivalves)in Abou - Kir Bay .	Diatoms	Lake Edku	Alexandia	Science	1973
7	Samira Mohamed Ahmed Kinawy	Hydrography and Nutrient Salts in the Water of lake Edku , Egypt .	Physical Oceanography	Lake Edku	Alexandia	Science	1974
8	Fatma Ali Abdel - Razek	Biological Studies on some Migrating Species of the Penaeidae From theMediterranean andDelta lakes ofEgypt.	Fishery Penaeidae	Delta lakes Mediterranean	Alexandia	Science	1974
9	Helmy Adly Sultan	Preliminary Investigation on the Primary Production of marine phytopankton of the egyptian mediterrean coast around Alex. Regions	Phytoblankton	Mediterranean coast around Alex.	Alexandia	Science	1975
10	Ahmed Fawzy Ismail El-Karashily	Production Function Analysis of Fishing Motor-boats Operating in the Egyptian Coastal Fisheries of the Mediterranean	Fishery Staticics	Egyptian Mediteranean Coast	Alexandia	Agriculture	1975
12	Omran El-Sayed Mohamed Frihy	Geological Study of Quaternary Deposits Between Abu Qir andRasid	Geology	Abu Qir & Rashid	Alexandia	Science	1975
13	Ezzat Awwad Ibrahim Saad	Effect of some chemicals on the growth and metabolism of some Diatoms	Diatoms	---	Cairo	Science	1975
15	Sawsan Mohamed AboEl-ezz	A Quantitative and Qualitative Study of Zooplankton inAlexeranean Region With Special Reference to the Anpenicularia	Zooplankton	Alexandria Coast	Alexandia	Science	1975
16	Wagdy Mohamed MahmoudEl-sarraf	Some Limnological Studies on the Submerged Macrophytes in Lake Edku,With Special Referance to their Value as Food of Fish	Macropphytes	Lake Edku	Alexandia	Science	1976
17	Zeinab Mohamed Abdel Khalek	Statistical Methods for Estimation of Fish Yield	Fishery Staticics	---	Alexandia	Science	1976

18	Zeinab Abdel Aziz Moursy	Stome Surges Along the Alexandria Coast .	Physical Oceanography	Alexandria Coast	Alexandria	Science	1976
19	Fatma A. Zaghoul	Plankton Production and Composition in the Nile Waters Between Edfina and Rashid in Relation to Invironmental Conditions	Plankton	Nile water Between Edfina & Rashid	Alexandria	Science	1976
20	Salah Naim Mohamed Negm	Studies on Some Algal Plants Along in the Egyptian Mediteranean Coast of Alexandria With Special Referance to the Green (Gardieria)	Algae	Coast of Alexandria	Alexandria	Science	1976
21	Mohamed Abdel-Khalek El-Sayed	Geochemistry of Manganese and Iron in the Recent Shelf Sediments off the Nile Delta in Relation to Phosphates Adsorption	Geochemistry	the Nile Delta	Alexandria	Science	1977
22	Meseda Mohamed El-Gharabawy	Biological Studies on Soles in the Region of Abu-Kir Bay	Fish Biology	Abu-Kir Bay	Alexandria	Science	1977
23	Amin Mohamed Karam	Study of Currents in Front of the Nile Delta Using Physical and Dynamical Methods.	Physical Oceanography	Nile Delta	Alexandria	Science	1977
25	Mohamed Kamal Zaky El-Deeb	Hydrography and Chemistry of Abu Qir Bay	Chemical Oceanography	Abu Qir Bay	Alexandria	Science	1977
26	Mohamed Mahmoud Hossin	A Study of the ZooPlankton in the Mediteranean in the Waters off the Egyptian Coast During (1970-1971) With Special Reference Coppepods	Coppepods	Mediteranean Sea	Alexandria	Science	1977
27	Mohamed Ahmed Abdel-Moneim	Eutrophication of Lake Maryut	Chemistry	Lake Maryut	Alexandria	Science	1977
29	Samir Yousef Kirollus	Biological Studies of Solea Vulgaris Quensel in Lake Qarun , Egypt	Fish Biology	Lake Qarun	Cairo	Science	1977
30	Said Abdel-Halim Kamel	Studies of Taxonomy and Hermaphroditism of Fishes of Family Sparidae in the Egyptian Mediteranean Waters	Taxonomy	Mediteranean sea	Alexandria	Science	1978
31	Gamil Heneen Thomas	Lake Mariut Fish Production as a Protein Resource and Its Role in Food Consumption in Alexandria	Fishery	Lake Mriut	Alexandria	High Ins. of Repup,Health	1978
32	Zenat Mohamed Zaki	Electrochemical Behaviour of Some Organic Sulpher Compounds	Chemistry	---	Alexandria	Science	1978
33	Samir Mahmoud Aly Nasr	Bottom Sediments in the Arab's Bay Along the Mediteranean Coast of Egypt .	Geology	Mediteranean Coast of Egypt	Alexandria	Science	1978
34	Sherif Fahmi Badawi	Biological Productivity of El-Settini Pond (EDKU) As a Model of a Brackish fish Farm .	Fish PProductive	Elsetini pond (Edku)	Alexandria	Science	1978
35	Sherif Abdel-Latif Fatouh Salem	التكامل الإقتصادي فى المقتصدات السمكية للدول العربية .	Fish Economic	---	Alexandria	Agriculture	1978
36	Nabil Youssif Mikhail	Study of Some Biological Characters of a Penaeid and a Carid Shrimp From the Egyptian Mediteranean Waters and Delta Lakes	Shrimp	Egyptian Medi.Water & delta Lakes	Alexandria	Science	1978

38	Ibrahim Awad Yousef .	الطاقة والكفاءة الاقتصادية لمختلف أساليب صيد الأسماك فى جمهورية مصر العربية.	Fish Economic	_____	Alexandia	Agriculture	1978
39	Medhat Ismail Hafez	Biochemical Studies on Some Tissues of the Fish Solea Vulgaris at Lake Qarun (Faiyum,Egypt), in Relation to Female Renproductive Cycle.	Fish Biology	Qarun	Cairo	Science	1978
40	Wafika M.Abou El-Nagah	The Occurrence and Distribution of Some Trace Metals in the Mediterranean Waters off the Coast of Alexandria, and Their Effect on the Water Productivity.	Poullution	Mediterranean water of Alex.	Alexandia	Science	1979
42	Karam Mohamed Mahmoud Talaat	Application of Some Growth Models on Tilapia Populations in Lake Nasser and Some Other Areas of Egyptian Inland Waters.	Fish Population Dynamics	Lake Nasser	Alexandia	Science	1979
43	Mohamed Ahmed Mohamed Said	Effect of Oceanographic and Meterological Factors on the Transport of Pollutants in Abu Qir Bay.	Physical Oceanography	Abu Qir Bay	Alexandia	Science	1979
44	Sohair Mostafa Allam	Biological studies of fish Stocks Belonging to Genus Trachurus Rafinesque in the Egyptian Mediteranean Waters	Fish Bilgy	Egyptian Mediteranean waters	Alexandia	Science	1979
45	Mohamed Siddiek El-Deek	Physical and chemical Variation of Port-Fouad Lake,Egypt	Chemical Oceanography	Lake Port-Fouad	Cairo	Science	1979
46	Mohamed Ali Mohamed Shata	Sedimentological Study of the Bottom Sediments From Sidi Abd El-Rhman to Mersa Matruh .	Geological Oceanography	SidiAbdEl-Rahman to Mersa Matruh	Alexandia	Science	1979
47	Ibrahim Amin Ahmed Maiyza	Hydrography of the arab's Gulf (Egypt)	Physical Oceanography	Arab's Gulf	Alexandia	Science	1979
48	Thanaa Hanafy Mahmoud	The Effect of sewage Discharge on the water Quality off the Coast of Alexandria.	Physical Oceanography	Coast of Alexandria	Alexandia	Science	1979
50	Aida Botros Tadros	Physico Chemical Study of Nitrogen and Sulpher Containing Compounds and their Metal Complex .	Chemistry	_____	Alexandia	Science	1979
51	Adil Yakoup Al-Handhal	Systematic and Ecological Study of Planktonic and Benthic Diatoms of the Eastern Harbour of Alexandria .	Diatoms	Eastern Harbour of Alex.	Alexandia	Science	1979
52	Mohamed Mohamed El-Komi	Ecological studies on the Marine Fouling of the southern Regionof the Suez Canal .	Marine Fouling	Suez Canal	Mansoura	Science	1980
53	Amani Mohamed Mohamed Khadr	The Dissociation Constants of Substituted Anilines and Phenols in Water-Organic Solvent Mixtures At 25C	Chemistry		Alexandia	Science	1980
55	Mohamed Ahmed Abdel Wahab El Shenawy	Studies in Lake Edku , Bacterial Distribution Trogen Mineralization and Fxation .	Microbiology	Lake Edku	Alexandia	Agriculture	1980
56	Mohamed Abd -El-Razek Issa	The Use of Agriculture by-Products in Fish Feeding .	Fish Nutrition	_____	Alexandia	Agriculture	1980

57	Ahmed Ibrahim Askar	Water Pollution With Pesticides "Acute Toxicities and Residues of pesticides in Lake Burullus "	Water Pollution with Pesticides	Lake Burullus	Alexandia	Agriculture	1980
58	Mansour Youssef Mikhail	Some Biological Studies on Epinephelus Species in the Egyptian Mediteranean Waters .	Fish Biology	Mediteranean waters	Alexandia	Science	1980
59	Dawlat Ahmed El-Zawawy	Seasonal Variations in the Composition and Biomass of Zooplankton Community in the Eastern Harbour of Alexandria .	Zooplankton	Eastern Harbu of Alexandria	Alexandia	Science	1980
60	Samia Gamal Eldin Moharram	Studies on Parasitic Fauna of Merluccius-Merluccius off Alexandria and Its Effect on The General Condition of The Fish .	_____	_____	Alexandia	Science	1980
62	Mahdi H. Abbas	Limnological Conditions and Distribution of Phytoplankton in the Rosetta Branch of the Nile .	Phytoplankton	Rosetta Branch of the Nile	Alexandia	Science	1980
63	Fathy Tawfeek Ramadan Tayel	Effect of Pollution by Pesticides on Some Marine Animals in Abu-Qir Bay	Pollution by pesticides	Abu - Qir Bay	Alexandia	Science	1981
64	Esam El-Din Mohamed Deghady	Studies on the Bottom Sediments of Port-Fouad Lagoon Near Port-Said Egypt .	Geological Oceanography	Port-Fouad&Port-	Alexandia	Science	1981
65	Mohamed Magdy Ahmed Dowidar	Systematic and Distribution Studies of Pelagic Coelenterates in Egyptian Mediteranean Waters .	Hydrobiology	Eg.Mediteranean waters	Alexandia	Science	1981
66	Fikry Naguib Asaad	Chemistry of Sea Water West of Alexandria .	Chemical Oceanography	Alexandia	Alexandia	Science	1981
68	Fathey Mohamed Farag	Studies on Macrobenthos Along the Mediteranean Coast West of Alexandria .	Zooplankton	Coast West of Alexandria.	Mansoura	Science	1981
69	Mamdouh Amin Fahmy Mohamed	Seasonal Distribution of Heaavy Metals in the Damietta Branch of the Nile .	Pollution	Damietta Branch on the Nile.	Alexandia	Science	1981
70	Hamdy Ahmed Helal	Studies on the Zooplankton of Dametta Branch of the River Nile North of El-Mansoura .	Zooplankton	branch Dametta of River Nile-	Mansoura	Science	1981
71	Elsayed Hassan El-Ebiary	Studies on fish Culture Observation on Survival and Mortality in Mullet Fry .	Fish Production	_____	Alexandia	Agriculture	1982
72	Hoda Hassan Hafez Ahdy	Distribution of Heavy Metals in Lake Maruit and Nozha Hydrodrome and Their Accumulation in Fish .	Pollution	Lake Mariut	Alexandia	Science	1982
73	Mohamed Mohamed Attia Shridach	Studies on the Chemical Composition of the Eastern Harbour Water-Alexandria .	Chemical Oceanography	Eastern Harbour of Alexandria	Alexandia	Science	1982

75	Ahmed El-Sayed Mohamed Rifaat	Bottom Sediments of the Western Harbour of Alexandria and Its Neighbourhood .	Marine Geology	Western Harbour of Alexandria	Alexandria	Science	1982
76	Asgad Mohamed Soliman	Quantitive and Qualitative Studies of Plankton of Lake Edku in Relation to the Local Enviromental Conditions and to Fish Food	Plankton	Lake Edku	Alexandria	Science	1983
77	Samiha Mahmoud Gharib	Hydrobiological Studies at Boughaz El-Maadiya Region Near Alexandria .	Hydrobiology	Boughaz El-Maadiya	Alexandria	Science	1983
78	Shnoudy Anwar Bakhoum	Genetical Studies on Drosphila .	Drosphila	—	Alexandria	Agriculture	1983
79	Sonia Mohamed Kotb Salem	Isolation and Adsorption Characteristics of the Proteins Extracted From Cicer and Ulva .	Chemistry	—	Alexandria	Science	1983
80	Mohamed Saad M. El-Beshbeeshy	Survey and Ecological Studies on the Sponges in West of Alexandria .	Sponges	West of Alexandria	Alexandria	Science	1983
82	Wagdy Labib Gergis	Distribution of the Phytoplankton Along the Egyptian Mediteranean Coast West of Alexandria .	Phytoplankton	West of Alexandria	Alexandria	Science	1983
83	Suzanne El-Sayed Omar draz	The Texture and Chemistry of the Nile Sediments in the Rosetta Branch	Geology	The Nile Rosetta Branch	Alexandria	Science	1983
84	Mohamed Hassan Mourad	Bioaccumulation and Toxicity of Heavy Metals Associated With Selected Industrial Emissions in Alexandria .	Pollution	Alexandria	Alexandria	High Inst. of Public Health	1984
85	Hoda Rushdy Gendy	Investigation of Waste Treatment of Some Local Chemical Industries (Anodic Oxidation of Direct Dye in an Electro	Chemistry	—	Alexandria	Engineering	1984
87	Soad El-Sayed Mostafa El-Gohary	Chemical Composition of Nozha Hydrodrome Waters as Compared to Mex Area .	Chemistry	Mex	Alexandria	Science	1984
88	Nabiel Nasr El-Din Saad	Hydrographic Structure of the Continental Shelf Area From El-Agamy to El-Arish .	Physical Oceanography	From Agamy to Arish	Alexandria	Science	1984
89	Michel Kamel Abdel Messeih	Studies on Ascidiens in Alexandria Waters .	Ascidiens	Alexandria water	Alexandria	Science	1984
90	Samir Ibrahim Rizkalla	Fishery Biology Studies on Family Sphyraenidae in the Egyptian Mediteranean Waters .	Fishery Biology	Egypt. Mediteranean Waters	Alexandria	Science	1985
91	Mohamed Omar Ebrahim Hosin Hassan	Biological Studies on the Major Species of Family Rajiidae in Alexandria Waters	Fish Biology	Alexandria	Alexandria	Science	1985
92	Mohamed Ahmed Sayed Ahmed	Fishery Study of the Histopathological Effect of Some Molluscids on Clarias Hazera .	Fishery	—	Alexandria	Veterinary Medicine	1985
93	Said Mohamed Abdel Hafiz	Production Functions for Egyptian Fishing in Suez Gulf .	Fish Economics	Suez Gulf	Alexandria	Science	1985

94	Omayma Hassan Abd El-Hamid	Metal Complexes of Some Amino Acids Containing Sulphur .	Chemistry	_____	Alexandia	Science	1985
96	Samia Kamel Mikhail	Preliminary Investigation of Epiphytes Growing on Some Marine Algae and Artificial Substratum in the Eastern	Algae	Eastern Harbour	Alexandia	Science	1986
97	Malak Aly Abdo	Some Physiological Studies on Two Sardine Species Sardinella Aurita (Cuv.&Val.) and Sardina Pilchardus (Walb.) From Alexandria Mediteranean Waters	Fish Physiology	Mediterranean Waters	Alexandia	Science	1986
98	Hassan Talaat El-Emary	Some Biological Studies on Dicentrarchus Labrax (Family Serranidae) in the Egyptian Mediteranean Waters Near	Fish Biology	Mediterranean Waters .	Alexandia	Science	1987
100	Samira Abd El-Kawy M.Hussin	Application of Resistivity Inversion Techniques in Geophysical Exploration .	Geophysics	_____	Alexandia	Science	1987
101	Ahmed Mohamed El-Nabawi	Studies on Fate and Toxicology of Certain Environmental Pollutants .	Pesticide	_____	Alexandia	Agriculture	1987
102	Hanaa A. K . Anwar	Hydrography of the Red Sea Waters at Al-Ghardqa .	Physical Oceanography	Red Sea & El-Ghardqa	Alexandia	Science	1987
103	Nagwa El-Sayed Abd-El Aziz	Limnological Studies of the Zooplankton and Benthos in the Main Basin of Lake Mariut .	Zooplankton	Lake Mariut	Alexandia	Science	1987
104	Mary Guendy Naguib Ghobrial	Effect of water Pollution on the Distribution of Phytoplankton in lake Mariut .	Phytoplankton	Lake Mariut	Alexandia	Science	1987
105	El-Sayedah Mohamed Abou-Shagar	Subsurface Geological Studies on Khalig El-Zeit-Area Red Sea Egypt .	Geology	Red Sea Khalig El-Zeit	Alexandia	Science	1988
106	Hoda A.El-Sayed Hemaida	The Dynamics of Nutrients Between Water and Sediments in lake Edku .	Chemical Oceanography	Lake Edku	Alexandia	Science	1988
107	Isaag Agaiby Iskaros	Biological Studies on Bottom Fauna of Lake Nasser and Adjacent Waters .	Bottom Fauna	Lake Nasser	Alexandia	Science	1988
108	Amal Mohamed Hussein Morsy	Studies on Certain Pesticide Residues in the Environment	Pollution Pesticides	_____	Alexandia	Science	1988
110	El-Sayed Haroun Khamis Akel .	Effect of Water Pollution on Tilapia Population in Lake Maruit	Fish Biology	Lake Mariut	Alexandia	Science	1989
111	Azza Sayed Ahmed Ibrahim Khalifa	Physiological Responses of the Fish Clarias lazera to Some Organic Chemicals .	Fish Biology	_____	Alexandia	Science	1989
113	Azza Mohamed Khaled	Synthesis and Reactivity of Some Transition Metal With Some Hydrazine Derivatives .	Chemistry	_____	Alexandia	Science	1989
114	Ahmed Moustafa Hassan El-Nemr	Studies on the Chemistry of Some Hydrazones .	Chemistry	_____	Alexandia	Science	1989

115	Iman Mohamed Mohamed El Saeidy	Physiological Responses of the Fish Clarias lazera to Some Pesticides .	Fish Biology	_____	Alexandia	Science	1990
116	Dalia Mohamed Sidkey Aly	Heterocyclic Compounds From Acetylenic -B-Diketones.	Chemistry	___	Alexandia	Science	1990
117	Samir Guindy naguib Ghabril	Induced Spawning and Developmental Criteria of two Oreochromis spp and Their Hybrid .	Aquaculture	___	Alexandia	Science	1990
118	Naglaa Moustafa Hilmy El-Sawi	Effect of Ablation of Eyestalk Hormon on the Muscles ,Gonads, and Hepatopancreas in the Prawn Penaeus Monodonotus (Leach)	Prawn	___	Alexandia	Science	1990
119	El-Sayed El-Arabi Abass Mohamed	The Occurance and Biological Characteristics of Marine Fishes in Lake Manzalah at the Area of the Lake-Sea Connection	Fishery Biology	Lake Manzalah	Alexandia	Science	1990
120	Amro Abd El-Aziz El-Maradny	Properties and Oxidation of Tetranuclear Copper (I) Complexes With Organic Substrate .	Chemistry	_____	Alexandia	Science	1990
121	Amany Mohamed Ahmed El-Sikaly	Biochemical and Histopathological Studies the Effect of Some Pesticidies on Liver and Pancreas of rats .	Medical Chemistry	_____	Alexandia	Medical Res.Institute	1990
122	Gibreel Mahmoud Abou-Zaid Sharaf	Distribution of Zooplankton in Lake Timsah With Special Reference to Copepoda .	Zooplankton	Lake Timsah	Suez Canal	Science	1990
124	Kariman Ahmed Shawky	Biological Studies on Tilapia Species the Middle Region of Manzalah Lake .	Biology	Lake Manzalah	Mansoura	Science	1991
126	Mohamed Abdel Aziz Okbah	The Distribution of Fe.Mn.Zn.andCu.Forms in the Surficial Sediments of Borollos Lake .	Chemistry	Borollos Lake	Alexandia	Agriculture	1991
127	Magda Samy Afify El-Shia	Physiology of Osmoregulation of the CatFish Clarias Lazer	Fish Biology	_____	Alexandia	Science	1991
128	Alaa El-DinAhmed KamalEl-Haweet	Biological Studies of Some CichlidSpecies in lake Borollus	Fish Biology	Lake Borollus	Alexandia	Science	1991
129	Nashwa Ibrahim Mohamed	Biological and Biochemical Studies of Some Siganid Fishes From the Mediteranean Waters off Alexandria .	Fish Biology	Mediterranean Waters of Alex.	Alexandia	Science	1991
130	Samy Mohamed Abu El-Enein	Economics of Aquaculture ,and Coast -Benefit Analysis For Some Fish-Farms in Egypt .	Fish Economics	Fish Farms	Alexandia	Agriculture	1992
131	Nabil Elsaid Hassan Bayoumi	Productive and Economic Efficiency of Fishing Motor-Boats Operating in EgyptianMediterraneanFishing Water .	Fish Economics	Egyptian Mediterranean	Menufiya	Agriculture	1992
132	Laila Abd El-Fattah Mohamed	Study on Some Metal ComplexesWith Polymeric Chelating Ligands .	Chemistry	_____	Alexandia	Science	1992
133	Howaida Yehia Zakaria	Disribution and Ecology of Some ZooplanktonOrganisms in the Egyptian Mediterranean Waters .	Zooplankton	Egyptian Mediteranean	Alexandia	Science	1992

134	Maha Ahmed Mohamed Abd-alla	Concentration of Mercury in Fresh,Brackish and Saline Water in Alexandria Region .	Pollution	Fresh Brackish&Saline	Alexandia	Science	1992
135	Samira Shehata Ali Asem	Reproductive Biology and Physiology of one Species of Family Sparidae in Mediterranean Sea	Fish Reproduction	Mediterranean Sea	Alexandia	Science	1992
136	Olfat Malak Wahbi Sederak	Effect of Abu Qir Industrial Effluents on Physiological Characteristics of Different Stages of Sparus Auratus .	Fish Physiology	_____	Alexandia	Science	1992
139	Ehsan Mohamed Hassan Abo El-Khair	Chemical Studies on the Mediterranean Coastal Water in Front of the Rosetta Mouth of the Nile .	Chemical Oceanography	Mediterranean coast water in front of rosetta Mouth of the Nile	Alexandia	Science	1993
140	Marwa Yousef Mohamed El-toweissy	Some Physiological and Histopathological Responses of the Freshwater Fish Clarias Lazera to Acid Stress	Physical & Chimestry	Alexandria	Alexandia	Science	1993
141	Neama Abedl-Monem Sallam .	Studies on the Biology and Early Growth of Shrimps .	Shrimp	_____	Zagazig	Science	1993
142	Abdel-Rahman Ahmed El-Shazly	Biological Studies on Four Cichlid Fishes (Tilapia Nilopia,Tilapia Galilae,Tilapia Zillii,Tilapia Aurea) in Lake Mariut	Fish Biology	Lake Mariut	Zagazig	Science	1993
143	Hanan Mohamed Mohamed El-Banna	Astudy on Phytoplankton and Primary Productivity in El-Max Farm.	Phytoplankton	El-Max Farm	Alexandia	Science	1993
144	Manal Mohamed Abd El-Fattah El-Naggar	Biological Implication of Some Cellular Products Naturally Occurred in Marine Algae .	Marine Algae	_____	Alexandia	Science	1993
145	Fathy Kamel Awad	"Distribution of Some Trace Elements in the River Nile From Isna to Al-Kanater Al-khyria Egypt ".	Pollution	River Nile	Alexandia	Science	1993
146	Hala Yasein A. El-Kasas	Evaluation of Water Pollution inSomeCoasts of Alexandria Using Some Indicator Bacteria .	Microbiology	Mediterranean	Alexandia	Science	1993
147	Mohamed Salama Kamel	Wind Driven Water Movement of the Upper Layer of Easern and Western Mediterranean Sea .	Physical Oceanography	Mediterranean Sea Eastern &Western	Alexandia	Science	1993
148	Sherif Mohamed Abdel Salam Keshk	Studies on the Carbohydrtes in Seawater and Their Related Reactions .	Chemical Oceanography	Sea Water	Alexandia	Science	1993
149	Khaled Abdel Aal Moussa	Geochemical and Economical Studies For the Mineral Deposits of the Atlantis11 Deep; at the Hot Brine Area in the Bottom of the Red Sea	Marine Geochemistry	Red Sea	Alexandia	Science	1993
151	Rafeek Riad Abdalla	Studies on Cephalopod Molluscs of the Mediterranean Waters of Alexandria .	Cephalopod	Med. Water of Alexandria	Alexandia	Science	1993
152	ZeinabAbdEl-BakiEl-SayedEl-Greisy	Effect of Some Environmental and Physiological Characteristics on Reproduction of Mugil Capito in Egypt .	Fish Production	_____	Alexandia	Inst.Graduatte Studies	1993

170	Hanan Mohamed Khairy Moustafa	Distribution of Phytoplankton in El-Dekhalah Harbour Relevant to the Dominant Enviromental Conditions .	Phytoplankton	El-DekhalahHarbour	Tanta	Science	1994
171	Nabila Ragab Hussein	Eutrophication in the Eastern Harbour of Alexandria .	Phytoplankton	Eastern Harbour of Alexandria	Alexandia	Science	1994
172	Khalid Mohammad Abaza	Speciation of some Organic Matter in the Recent Sediments of Manzalah Lake , Egypt .	Marine Geology	Manzalah Lake	Alexandia	Science	1994
174	Maged Mohamed Abdel-Moneim Hussain	Remote Sensing of some Environmental Conditions at Lake Brullus .	Remote sensing	Lake Brullus	Alexandia	Inst.of Grad. Studies & Research	1994
176	Hanan Mohamed Abdel-Naby	Correlated Schistosmiasis and Bacterial Infections Resulting from Simultaneous Exposure to Polluted Water Sources .	Microbiology		Alexandia	Inst.of Grad. Studies & Research	1994
177	Mona Fathi El-Naggar	Evaluation of Chemical Effects of the new Sewage Outfall in Kayet-Bey Area on Sea Water Quality .	Chemistry	Kayet Bay Sea Water	Alexandia	Inst.of Grad. Studies & Research	1994
178	Esam Mohamed Abd El-mola	Effect of Salinity on Growth and Metabolic Activity of Some Phytoplanktons in Wady El-Rayan Lake	Phytoplankton	Wady El-Rayan Lake		Science	1994
179	Amal Eskander Philips	Studies on the Biology of tow TilapiaSpecies inLakeEdku	Fish Biology	Lake Edku	Alexandia	Science	1994
180	Hayat Mohasseb M.Faragallah	Sediment-Water Interface Chemistry in the Eastern-Harbour, Alexandria .	Chemical Oceanography	Eastern Harbour of Alexandria	Alexandia	Science	1995
181	Atif Mohamed Omer El-Naggar	Studies on the Helminth Parasites of some Fishes From Egypt .	Fish Parasitology	_____	Alexandia	Science	1995
182	Hatem Hanafy Mahmoud	Biology and Gonadal Cyclic Changes in Fishes of Family	Fish Biology	Nozha Hydrodrome	Alexandia	Science	1995
183	Ali El-Sayed Mahmoud Abd El-Rahman	Studies on the Helmenth Parasites of some Fishes From the Mediteranean Sea .	Fish Parasitology	Mediteranean Sea	Zagazig	Science	1995
184	Mary Ramsis Haroun	Rearing of Fry and Fingerlings of Oreochromis Niloticus Under Different Feeding Conditions .	Fish Nutration	_____	Zagazig	Science	1995
186	Abo El-Hagag Hifny Sayed	Comparative Study of the Water Budget of the Red Sea and Arabian Gulf .	Physical Oceanography	Red Sea &Arabian Gulf	Suez Canal	Science	1995
187	Ola El-sayed Abdel-Wahab	Effect of Dispersants on the Removal of Oil Pollutio Frome Sea Water .	Pollution	Sea Water	Alexandia	Engineering	1995
189	Hala Ahmed Abdel-Mohsen	Studies on Feeding Activities,Maturation and Condition of Tilapia Zillii Gerv-Living in Poiited of Lake Mariut,	Fish Biology	Lake Mariut	Alexandia	Science	1995

190	Howaida Hassan Abdou Ali	Biological Studies on the Egyptian Flat Fishes of Genus Solea .	Fish Biology	_____	Alexandia	Science	1995
191	Saber Mostapha Mohamed	the Evolution of the Production and Marketing of Fish and Its Products in A.R.E.	Fish Economic	A.R.E.	Al- Azhar	Agriculture	1995
192	Abdou Abdou Ali El-Horbeety	Studies on the Integrated Fish -Duck Farming Systems .	Fish Production	_____	Alexandia	Agriculture	1995
193	Wahid Mohamed Mofaddal	Nile Delta Fluvio-Marine Modern Enveroments:Differentiation and Application for Identification of Subsurface Sediments.	Geology	Nile	Alexandia	Science	1995
194	Khaled Mahmoud Abdel-Salam	Ecological Studies on Macrobenthic Invertebrates in the Nile River .	Macrobenthic Invertebrate	Nile River	Alexandia	Science	1995
195	Ahmed Abdel-Khalik Ellethy	Studies on the Genetic Pool of Tilapia Spp. At Manzalah Lake .	Fish Genitic	Manzalah Lake	Alexandia	Science	1995
196	Safeinaz Gomma Mohmed	Effects of some Environmental Factors on the Immune Response of Tilapia Species (Tilapia Nilotica) .	Fish Diseases	_____	Alexandia	Veterinary medicine	1995
197	Ahmed Abdel-Moneim Mohammed Radwan	Hydrographic Structure and Heat Budget of AbuQir Bay .	Physical Oceanography	Abu Qir	Alexandia	Science	1996
199	Febee Rophail Yousef Louka	Hemiical Investigtions On B-Caroten,Vitamin E & Vitamin C Extracted Rom Some Marine Algae in Alex. Coastal	Chemistry	Alex. Coastal Region	Alexandia	Science	1996
200	Eman Mahmoud Abd-El-Aziz Sakr	Metabolic Effect of X-Organ Sinus Gland Complex and Extract of Eyestalk Hormones on the Reproduction and Maturation of the Prawn Penaeus Japonicus(BATE)	Prawn Penaeus	_____	Alexandia	Science	1996
201	El-Azab El-Azab Badr El-Bakhty	Distribution of Bottom Fauna in Lake Manzalah in	Bottom Fauna	_____	Tanta	Science	1996
203	Evelyn Ragheb	Population Study on some Solea Species .	Pollution	_____	Zagazig	Science	1996
204	Marwa Mahmoud Mazrouh	The Development and Seasonal Histological Changes in the Hypophysis and Gonads of Mugilids (Mugil capitoCuv.) in Lake Edku	Fish Biology	Lake Edku	Tanta	Science	1996
205	Hala Hussin Abdel-Alatif	Studies on some Microorganisms and their Relationships with Mulletts and Tilapia Fishes Reared in El-Max Farm	Microbiology	Max Farm	Alexandia	Science	1996
206	Zeinab Ahmed Helmy	Effect of some Pesticides on Genetic Characters in Clarias Lazera .	Fish Genitic	_____	Alexandia	Science	1996
207	Abir Ahmed Monir	Abatement of Water Pollution Caused by Industrial Waste Streams by the Liquid Membrane Technique .	Pollution	___	Alexandia	Engineering	1996
