

No.	NAME	TITLE	SUBJECT	LOCATION	UNIVERSITY	FACULTY	YEAR
1	Mohmed Amin Ebrahim	The Energetics of Growth ,Respiration, & Egestion of the Brown Shrimp <i>Penaeus Aztecus Aztecus</i> IVES .	Shrimp	----	Texas	---	1973
2	Elham Amaly Ahmed Wassef	Biological and Physiological Studies on Marine and Acclima- tized Fish <i>Chrysophrys Auratus</i> (Forster) .	Fishes	----	Cairo	Science	1978
3	Shoukry Kamel Guerguess	Ecological Study of Zooplankton and Distribution of Macrofauna in Lake Menzalah .	Zooplankton	Lake Menzalah	Alexandria	Science	1979
4	Ahmed Fawzy Ismail El-Karachily	rodutive and Economic Effectiveness of Egytian and olish Fisheries in cecaf Region	Fish Economic	Cecaf Region	Szczecin	Marine Fisheries	1980
5	Nadia Fouad Abd El-Hamid	Biological and Physiological Studies in Relation toMaturation on two on two Crustacean Species in the Red Sea : the Crab <i>Portunus Pelagicus</i> (Linneaus) and the Prawn <i>Penaeus Kerathurus</i> ( Leach ) .	Crab Shrimp	Red Sea	Alexandria	Science	1982
6	Gamil Heneen Thomas	Role of Fish Farming in Food Security Programmes in Egypt.	Vital Statistics	Egypt	Alexandria	High Inst.of Puplic Health	1983
7	Zeinab Mahmoud El-Sherif	Limnological Investigation on the Aquatic Plant Life in Lake Burpillus in Relation to the Dominant Enveromental Burollus	Aquatic Plant	Lake Burollus	Cairo	Science	1983
8	Ahmed Kamel I Hasan	Studies on the Molluscan Fauna of the Mediteranean and Red Seas and Their Exchange Through the Suez Canal .		Mediteranean and Red Sea.	Cairo	Science	1983
9	Abdel-Halim A . Darrag	The Occurrence and Distribution of Some Trace Metals "Fe,Mn&Cu."in Lake Borullos and Their Relation to Organic	Pollution	Lake Borullos	Alexandria	Science	1983
10	Fatma Aly Abdel-Razek	Ecological Stydies on the Fouling Bivalve, <i>Limnoperna Fortunei</i> <i>Kikuckii</i> Habe .		-----	Tokyo	Ariculture	1983
11	Aida Botros Tadros	Metal Complexes Study of Nitrogen and Sulpher Compounds	Chemical Oceanograhly	-----	Alexandia	Science	1984
12	Sawsan Mohamed Aboul-Ezz	Limnological Investigations on Zooplankton and Benthos in Lake Burollus .	Zooplankton	Lake Burollus	Mansoura	Science	1984
13	Fatma Abdel-Rahman Zaghloul	Seasonal Variations of Plankton in Lake Nasser .	Plankyon	Lake Nasser	Suez Canal	Science	1985
14	Thanaa Hanafy Mahmoud	Phosphorus and Nitrogen Dynamics in the Polluted Coastal Waters off Alexandria .	Chemical Oceanograhly	Coastal water of Alex.	Alexandria	Science	1985
15	Sherif El-Sayed Ramadan	Ecological and Systematic studies on the Marine Fouling of the Northern Part of The Suez Canal .	Marine Fooling	Suez Canal	Mansoura	Science	1986
16	Amin Mohamed Karam	Investigation of Large Scale Circulation in the Eastern Mediteranean Sea Using"Isentropic"Analysis and Conservation of "Potential Vorticity " .	Physical Oceanography	Mediteranean sea	Alexandria	Science	1986
17	Mohamed Abd El-Razik Issa	Genetical Studies on Freshwater Fish Evaluation of Hybridization of Five Important Species of Cyprinids .	Fish Genetic	Fresh water	Alexandria	Agriculture	1987
18	Fathy Tawfeek Ramadan Tayel	Effect of Pollution by Hydrogen Sulfide on Marine Organisms in Northwest Part of the Black Sea .	Pollution	Black Sea	Mocapa	USSR.	1987

19	Amani Mohamed Mohamed Khadr	Acid-Base Properties of Buffers in Sea Water at Different Salinities and Temperatures .	Chemistry	Sea Water	Alexandria	Science	1987
20							
21	Esam El-din Mohamed Deghady	Oceanographic and Geochemical Characteristics of the Formation of Both Brines and Metalloferous Sediments in the Red Sea .	Geology	Red Sea	Mosco	_____	1987
22	Samia Abd-El Halim	Life Forms of Marine Polychaete Worms in the Mediteranean Sea and Eastern Harbour of Alexandria .	Polychaete	Mediteranean Sea	Mosco	_____	1987
23	Mohamed Mohamed Atia Shriadah	Liquid Membrane ,Ion Selective Electrode and Solvent Extraction, Methodological Comparative study .	Chemical Oceanogaphy	___	Hokkaido	Science	1987
24	Ebtessam El-Sayed El-Sayed M.	Circulation Patterns and Hydrographic Structure of the Southern RedSea and Gulf of Aden	Physical Oceanography	RedSea&Gulf of Aden	Alexandria	Science	1988
25	Sherif Abdel-Latif Fattouh	Analysis of the Fishery Production in Lake Edku (Egypt) and the Prospects for Its Development .	Fishery Economics	Lake Edku	Olsztyn-Poland	Acad. Of Agric.	1989
26	Mohamed Ahmed El- Shenawy	Nitrogen Fixation and Denitrification in Recultivated Eutrophic Lake .	Chemical Oceanograhly	Eutrophic Lake	Olsztyn	Water Production	1989
27	Zeinab Abdel-Aziz Moursy	Meteorological Aspects of Storm Surges at Alexandria Coastal Waters .	Physical Oceanography	Alexandria-Coastal waters	Alexandria	Science	1989
28	Aly Mohamed Aly Abdalla	Monitrong of some Toxic Pollutants in the Environment Monitoring of Organochlorine Components in the Nile Delta and the off Delta Mediteranean North Coast .	Pollution	Nile Delta&Delta Mediteranean North Coast	Alexandria	Agriculture	1989
29	Samia Khamis Mostafa Hmdona	Mechanism and Reaction rates Dissolution of Calcium Carbonate and Fluoride in Sea Water .	Chemical Oceanograhly	Sea Water	Monoufia	Science	1989
30	Sohair Moustafa Allam	Revision of Order Hypotremata Along theMediteranean Coast off Alexandria with Special Reference to Family Dasyatidae.	Fish Biology	Mediteranean Coast	Alexandria		1989
31	Wagdy Labib gergis	Ecological Studies of the Phytoplankton Dynamics at Aburatsubo Bay, Kanagawa, Japan .	Phytoplankton	Aburatsuboba Bay,Kanagwa Japan .	Tokyo	_____	1990
32	Mohamed Hassan Mourad	Effects of Lindane on the Electrocardiogram,Heart Rate and Respiratory Rate of the Eel,Anguilla Anguilla L.at Different Temperatures .	Pollution	_____	Szczecin	Acade of Agricol	1990
33	Ahmed Elsayed Mohamed Rifaat	Geochemical Model of some Elements of Enviromental Imortance in Sediments from the Mediteranean Continental Shelf of Egypt .	Marine Geology	Mediteranean Continental shelf	Alexandria	Science	1990
34	Wafica Mohamed Aboul- Naga	study of Humic Substances in lake Edku and Their Effect on Water Chemistry .	Marine Pollution	Lake Edku	Alexandria	Science	1990
35	Said Mohamed Abd El-Hafiz Gamil	Some Economic Aspects of Fish Farming in A.R.E.	Fish Economic	A.R.E.	Alexandria	Agriculture	1991

36	Omayma Hassan Abd El- Hamid	Physicochemical Studies on some Transition Metal Complexes Derived From Ligands Containing Nitrogen and Sulphur and their Application to Sea Water .	Microbiology	Sea Water	Alexandria	Science	1991
37	Ayman Ebrahim Shaaban	Bacteriological Studies on Fishes Cultured in Waste-Water and Market- Fishes	Microbiology	_____	Vet- Med.Cairo	_____	1991
38	Mamdouh Amin Fahmy Mohammed	Studies on Copper Binding Proteins in Microorganisms .	Molecular Biology	_____	Punjab Pakistan	_____	1991
39	Hoda A.El-Sayed Hemaïda	Studies on the Synthesis and Reactivity of some Biologically Active metal Complexes and Their Toxicity Towards Barnacles Larvae in Marine Environment .	Chemical Oceanography	_____	Alexandria	Science	1991
40	Alice Helmy Sahioun Keddīs	Mutual Transformability of the Formulas of the Languages of Markov Stepped Semantical Systems of the Constructive		_____	Cairo	Science	1991
41	Samiha Mahmoud Gharib	Study of the Biological Productivity of the Nozha Hydrodrome as A Model of Artificially Fertilized Fish Farm .	Phytoplankton	Nozha Hydrodrome	Alexandria	Science	1991
42	Samir Ibrahim Rizkalla	Studies on the Fishery Biology of Sea Breams (Genus: Bagillus) in the Egyptian Mediterranean Waters .	Fishery Biology	Mediterranean waters	Zagazig	Science	1992
43	Mohamed Magdy Dowidar		Zoobankton				1992
44	Tahani Ibrahim AbdEl-RahmanEl-Tabakh .	Chemical Studies on the Interaction Between the Environment and Representative Fishes and Molluscs .	Chemical Oceanography	_____	Alexandria	Science	1992
45	Samir Nakhla Faltas	Studies on the Fishery Biology of Lizard Fish (family: Synodontidae) in the Egyptian Mediterranean Waters .	Fishery Biology	Mediterranean waters	Alexandria	Science	1993
46	Samia Gamal El-Din Moharram	Reproductive Biology and Induced Spawning of one Species of Family Siganidae .	Aquaculture	_____	Alexandria	Science	1993
47	El-Sayeda Mohamed El-Sayed	Comparative Geological and Geophysical Studies on the Origin of the Northern Egyptian Lakes and Lagoons .	Marine Geology	Northern Egyptian Lakes & Lagoons	Alexandria	Science	1993
48	Hoda Roushdy Guendy	Evaluation of some Industrial Wastes Treatment Techniques, in Alexandria Relevant to Environmental Pollution .	Pollution	Alexandria	Alexandria	Engineering	1993
49	Isaac Agaiby Iskaros	Ecological Studies on the Distribution of Zooplankton and Benthic Fauna in Khor Kalabsha in Lake Nasser .	Zooplankton Benthic Fauna	Lake Nasser	Mansoura	Science	1993
50	Nabil Nasr El-Din Saad	An Isopycnic and Dynamical Study of the Different Water Strata in the Western Mediterranean Sea .	Physical Oceanography	Western Mediterranean Sea	Alexandria	Science	1993
51	Laila Mohamed Ebrahim Shakweer	Effect of Waste Disposal on the Chemical Composition of some Aquatic Organisms Along Alexandria Coastal Waters.	Pollution	Alexandria Coastal Water	Al-Azhar	Science	1993
52	El-Sayed Hassan Aly El-Ebiary	Studies on Fish Production: Relationship Between Nutrition and Reproduction of Tilapia Sp.	Aquaculture	_____	Alexandria	Agriculture	1994
53	Abdalla Abdel-Magied El-Shebly	Effect of Drainage Water on Fish Farms at Lake Manzalah - Egypt .	Pollution	Lake Manzalah	Mansoura	Science	1994

54	Abdel-Aziz Mohamed Rashad Radwan	study on the Pollution of Damietta Branch and And Its Effects on the Phytoplankton .	Pollution	Damietta Branch	Tanta	Science	1994
55	Mary Guendy Ghobrial	The Role of Aquatic Plant Life in the Consumption of Nutrient Load from Sewage Effluents .	Aquatic plant	_____	Alexandria	Science	1994
56	Asgad Mohammed Soliman	Biological Studies on Plankton and Benthic Fauna in the Rosetta Branch of the Nile River .	Plankton & Benthic Fauna	Rosetta Branch of the Nile River	Cairo	Science	1994
57	Mostafa Abdel-Wahhab El-Bayomy	Biological Studies on the Reproduction of Mullet ( Mugil - Cephalus L.) in Egypt .	Aquaculture	_____	Ain Shams	Science	1994
58	Michel Kamel Abdel_Messeih	Taxonomical Studies on Ascidiaceans in the Egyptian Mediterranean waters and the Sues Canal .	Ascidiaceans	Mediterranean & Sues - Canal	Alexandria	Science	1994
59	Samira Abdel-Kawy Mohamed	Geophysical Studies of the Northern Part of Sues Gulf and Mathematical Modelling of the Prevailing Parameters .	Marine Geophysics	Sues Gulf	Alexandria	Science	1994
60	Sozanne El-Sayed Omar Daraz	Diagenesis of Hypersaline Coastal Deposits in the El-Alamein Area .	Marine Geology	El-Alamein Area	Alexandria	Science	1995
61	Mohamed Hamouda El- Mamoney	Evaluation of terrestrial Contribution to the Red Sea Sediments	Marine Geology	Red Sea	Alexandria	Science	1995
62	Zeinab Mohamed Abdel-Khalek	Statistical Study on Future Estimates of Fish Catch in Alex. and Determinants of Production in Its Marine Fisheries .	Fishery statistics	Alexandria	Alexandria	Science	1995
63	Samira Shehata Aly Assem	Reproductive Physiology and Induced Spawning of Solea Species.	Aquaculture	_____	Alexandria	Science	1995
64	Mohamed Abdel-Azia Okbah	The Vertical Distribution of some Trace Metals (Zn,Cu,Cd,Pb, Cr) in Maruit Lake sediments .	Pollution	Maruit Lake	Alexandria	Science	1995
65	Amany Mohamed Ahmed El-Sikaily	Detection of some Carcinogenic Aromatic Amines in Water Environment in West Industrial Region of Alexandria and their Effect on Rats .	Pollution	West Industrial Region of Alex	Alexandria	Science	1996
66	Malak Aly Abdalla Abdo	Reproductive Biology and Induced Spawning of Dicentrarchus	Aquaculture	_____	Alexandria	Science	1996
67	Mohamed Abdallah Ali	Reproductive Biology and Physiology of Diplodus Vulgaris in the Mediterranean Sea .	Aquaculture	Mediterranean Sea	Tanta	Science	1996
68	Elsayed Haroun Kh. A. Akel	Population and Dynamic of the Catfish Clarias Sp. in Lake Edku	Fish Biology	Lake Edku	Mansoura	Science	1996
69	Tarek Othman Said	Analytical Determination of Dissolved Petroleum Components in Seawater Using Coupling System ( GC-MS )	Chemistry	_____	Mansoura	Science	1996
70	Sahar Fahmy Youssif Mehanna	A Study of the Biology and Population Dynamics of Lethrinus Mahseni (Forsskal, 1775) in the Gulf of Suez .	Fish Biology	Gulf of Suez	Zagazig- Benha	Science	1996
71	Nagwa El-Sayed Mahmoud Abdel-	Zooplankton Production Along Egyptian Mediterranean Coast at Alexandria With Special Reference to Life History of one Copepod Species . ( Tow Parts ) .	Zooplankton	Mediterranean Coast	Mansoura	Science	1997
72	Abd El-Hakim El-Said El-Alfy	Biological Studies on the Reproduction of the Gilthead Bream Sparus Aurata (L.) Reared in Fish Farms .	Aquaculture	Fish Farms	Mansoura	Science	1997
73	Samy Mohamed Abu El-Enein	Some Social and Economical Determinants Affecting Fish Catch in Governorate of Behira and Means for its Development .	Fish Economics	Behira	Alexandria	Agriculture	1997
74	Samia Kamel Mikhail	Ecological Studies of the Phytoplankton in Mex Bay .	Phytoplankton	Mex Bay	Alexandria	Science	1997

75	Manal Mahmoud El-Naggar	Biodegradation of NitroPhenol in Aqueous Wastes and Sea Waters By Selected Immobilized Microorganisms .	Microbiology	Aqueous&Sea water	Alexandria	Science	1997
76							
77	Azza mohamed Mohamed Khaled	Acomparative Study for Distribution of some Heavy Metals in Aquatic Organisms Fished from Alexandria Region .	Pollution	Alexandria	Alexandria	Science	1997
78	Mohamed Salama Kamel	Numerical Assessments of Salt Content in the Mediteranean Sea .	Physical Oceanography	mediteranean Sea	Alexandria	Science	1998
79	Naglaa Moustafa Hilmy El-Sawi	Induction of Maturity and Ecdysis in the Brawn Penaeus Kerathurus(Forskal)Under the Effect of Moulting Hormone (Ecdyso Steroid ) and Cholesterol .	Shrimp		Alexandria	Science	1998
80	Galilla Ebrahim Mohamed Habashe	Impact of Climate and Human Activies on the Water Chemistry andCoastalResources of theWesternCoast ofGulf ofAqaba	Marine Chemistry	Gulf Aqaba	Suez Canal	Science	1998
81	Shymaa Mohamed Hassan Shalaby	Studies on Fish Production Nutritional Requirements of Rabbitfish, Siganus Rivulatus , Fingerlings .	Fish Nutrition & Production	_____	Alexandria	Agriculture	
82	Olfat Malik Wahbi Sedrak	Effect of Tanning Processing Waste Water on Physiological Characteristics of Solea Sp.	Fish Physiology	_____	Alexandria	Science	1998
83	Sonia Mohamed Kotb	Biochemical Studies on Toxicity of Pleuranacanthus Sceleratus "EL-Karad " in the Red Sea .	Biochemistry	Red Sea	Alexandria	Science	1998
84	Mohamed Kamal Zaki El-Deeb	Studies on the Transport and Fluxes ofAliphatic andAromatic Petroleum Hydrocarbons in Alexandria Coastal Waters and Their Levels in some Marine Organisms .	Marine Chemistry	Alexandria Coastal	Suez Canal	Science	1998
85	Nashwa Ibrahim Mohamed El-Okda	Comparative Studies on Certain Biological Aspects of Siganus in Marine Waters of Egypt .	Fish Biology	Marine water of Egypt	Banha- Zagazig	Science	1998
86	Dalia Mahmoud Sidkey Aly Salem	Chemical and Structural Studies of the Alginic Acid Components from Brown Algae .	Marine Chemistry	_____	Alexandria	Science	1998
87	Suzan El-Hassanien Kholeif	Palinostratigraphical studies of Jurassiclower Cretaceous Strata in the Subsurface of the Northern Eastern Desert, Egypt.	Geology	Northern Eastern Desert	Cairo	Science	1998
88	Hafez Abdel-Hamid HassanMabrouk	Studies on Acclimatization and Production of Some Marine Fishes (Sp.Arur Aurata ) .	Fish Nutrition	_____	Alexandria	Agriculture	1999
89	Laila Abd El-Fattah Mohamed	Studies on the reaction of some Chelating polymers with Transition and non Transition Metal ions .	Chemistry	_____	Alexandria	Science	1999
90	Hala Yasein A. El-Kassas	Biodegradation of paper Industry Wastes in A Marine Habitat.	Microbiology	_____	Alexandria	Science	1999
91	Gehan Mohamed Abu-Elela	Studies on Actinomycetes in Marine water and Sediments of Alexandria Beaches (Egypt) .	Microbiology	Alexanria Beach	Alexandria	Science	1999
92	Samir Guindy Ghabrial	The Impact of Enveromental andParental Conditions on Mass Productions and Rearing Process of Oreochromis Species and Their Hybrid .		_____	Alexandria	Science	1999
93	Doaa Hassan Youssef	Behaviour of Some Heavy Metals in Sulphidic Aquatic Conditions .	Pollution	_____	Alexandria	Science	1999

94	Aida El-Shahat Mohamed Farag	Degradation of some Marine Polymers by Free and Immobilized Bacillus Brevis Cells .	Microbiology	___	Alexandria	Science	1999
95	Hoda Hassan Hafez Ahdy	Dynamics of Cadmium and Lead in Abu Qir and Their Effects on Marine Organisms .	Chemical Oceanography	Abu Qir	Alexandria	Science	1999
96	Mary Ramsis Haroun	Cross- Breeding Egyptian Races of Tilapias to Produce more Productive Hybrids .	Aquaculture	___	Tanta	Science	1999
97	Souad El-Sayed Mustafa El-Gohary	Evaluation and Utilization of Wasted Black Liquor in paper Mill for Production of some Economic Compounds to Decrease the Marine Pollution .	Chemistry		Ain Shams	Science	1999
98	Kariman Ahmed Shawky	Expererimental Studies on the Factors Affecting the Efficiency and Selectivity of Trammel Nets in Lake Manzalah .	Fishery	Lake Manzalah	Zagaaig	Science	1999
99	Magda Samy Afify El- Salhia	Dietary Protien Requirements of Fish Under Different Enviromental Salinities .	Fish Biology	___	Cairo	Science	1999
100	Azza Sayed Ahmed Ibrahim Khalifa	Studies on the Ohysiological Action of Some Steriods in Fish .	Fish Biology	___	Cairo	Science	1999
101	Rafeek Riad Abdalla	Biological and Taxonomical Studies on Octopuses (Octopoda:Cephalopoda ) from the Egyptian Mediteranean Waters .	Cephapodo	Egyptian Mediteranean water	Alexandria	Science	2000
102	Somya Mahfouz Taha	Studies on Artificial Propagation and Feeding of the Penaeid Prawn in Egypt .	Prawn	___	Zagazig	Science	2000
103	Neama Abdel Monem Sallam	Studies on Biological Characters and Rearing of some Palaemonidae ( Decapoda- Caidea ) in the Egyptian Waters.	Shrimp	Egyptian waters	Zagazig	Science	2000
104	Nabil El-sayed H. Bayoumy	An Economic Study of Potentialities for Developing Lake Borollus Fisheries .	Fish Economic	Lake Borollus	Alexandria	Agriculture	2000
105	Zeinab Abd El-Baki El-Sayed El-Greisy	Reproductive Bioly and physiology of dipلودus sargus ( Family : Sparidae ) in the Mediteranean Envernement	Aquaculture	Mediteranean sea	Alexandria	Science	2000
106	Nabila Ragab Hussein	Ecological & Physiological Studies on Phytoplankton in Some Coastal Areas around Alex.	Phytoplankton	Costal Areas around Alex.	Alexandria	Science	2000
107	Amr Zakaria Mohamud Hamouda	Study of Neotectonics in the Gulf of Aqaba,Red Sea, As Revealed From Marine Geophysical Data .	Geophysics	Red Sea	Alexandria	Science	2000
108	Sfinaz Goma Mohamed Ismail	Effect of Phenol on the Immune Response of Tilapia Fish & Susceptibility to disease .	Fish Disease	___	Suez Canal	Verinary Medicine	2001
109	Ahmed Ibrahim Ibrahim Askar	Studies on the Analy6sis and Toxicity of Certain Pesticides in the Aquatic Envernement	Chemistry Pesticides	___	Alexandria	Agriculture	2001
110	Howaida Yehia Zakaria	Studies on the Biology of some common Amphipod Species from the Eastern Harbour of Alexandria, Egypt .	Amphipoda	Eastern Harbour of Alex.	Alexandria	Science	2001
111	Shaban Abd El-Haleim Abd El-Mageed Hassan El-Sherif	Chemical and Technological Studies on Shrimp and its Wastes.	Shrimp Technology	___	Al-Azhar	Agriculture	2001

112	Nermin Ahmed El- Sersy	Microbial catabolism of some marine organic pollutants: the development of a bioremediation system	Microbiology	_____	Alexandria	Science	2001
113	Ola Elsayed Abdelwahab	A Study of the Falure Behavior at Interfaces in Aqueous Solutions	Chemistry	_____	Alexandria	Engineering	2002
114	Amro Moneer Mohamed Helal Rizk	Studies on the roduction of Sea Bass, Dicentrachus labrax, Under Different Rearing and Feedng Conditions	Fish Production	_____	Mansoura	Agriculture	2003
115	Hanan Mohammed Khairy	Effect of Tanning Processing Waste Water on Phytoplankton Species Isolated from Alexandria Coastal water ( Egypt ).	Phytoplankton	Alex. Coastal water	Tanta	Science	2002
116	Hanaa A. K. Anwar	Seasonal Variation of the Hydrographic Structure and Water circulation of the Gulf of Suez.	Physical Oceanography	Gulf of Suez	Alexandria	Science	2003
117	Khalid M. Abaza	Fish Production From Lake Mariutin In Relation To Its Biogeochemical Conditions	Fish Ecology	Lake Mariuit	Alexandria	Science	2003
118	Maha Ahmed Mohamed Abd allah	The Chemical Changes In Lake Maryout After The Construction of The Two Waste Treatment Plants	Pollution	Lake Mariuit	Alexandria	Science	2003
119	Mona Khamis Khalil Ibrahim	Modes of Phosphorus Association In The Ne-Nile Delta Lagoonal And Marine Sediments	Marine Geology	Delta Nile	Alexandria	Science	2003
120	Evelyn Ragheb	Comparative Studis on Fishery Biology of Sphyaena Species (Barracudas ) in The Egyptian Mediterranean Waters, off Alexandria	Fishery biology	Med.Water	Zagazig	Science	2003
121	Al-Azab El-Azab Badr El-baokhty	Biological And Economical Studies on Some Fishing Methods Methods Used in Lake Manzalah	Aquatic Ecology	Lake Manzalah	Tanta	Science	2003
122	Howaida Hassan Abdou Ali	Reproductive Biology and Physiology of Solea impar in Abu Qir	Aquaculture	Abu Qir	Alexandria	Science	2003
123	Hermine Ramzy Zaky Tadros	Studies on Metal Complexes of Some Heterocyclic Compounds and Their Application	Chemistry	_____	Zagazig	Science	2004
124	Mohammed Abdel Galeel Al-Absawy	Reproduction and Ultrastructure Studies on Gonds of Trachinotus Ovatus (Family:Carangidae)From The Egyptian Mediterranean	Fishculture	Med.Water	Zagazig	Science	2004
125	Saber Mostafa Mohamed Mahmoud	Economies of Fishing Aquaculture in A.R.E.	Economy	_____	Al-Azhar	Agriculture	2004
126	Abeer Abbas Fahmy El-Saharty	Chemical Study of Environmental Marine Radioctivity from Hurghada to Safaga on the Red Sea Coast of Egypt	Marine Chemistry	Red Sea	Alexandria	Science	2004
127	Ahmed Mahmoud Abdel-Halim	Chemical Equilibria Studies of Some Phosphorus Compounds Under Different Conditions	Chemistry	Al -Makss	Alexandria	Science	2004
128	Nevine Mahmoud Mohamed Abou Shabana	Comparative Physiogica Stuiies on Different Embryonic and Larval Stages in one Species of Family Cichidae (Oreochromis	Zoology	_____	Alexandia	Science	2004
129	Eman Mohamed Abd-El Aziz Sakr	The Use of Macroalgae as Additives in Marine Fish Feeds	Biochemistry	_____	Alexandia	Science	2004
130	Nevine Mahmud Mohamed Abou Shabana	Comparative Physiological studies on different embryonic and larval stages in one species of family Cichlidae (Oreochromis	Fish aquaculture	_____	Alexandria	Science	2004
131	Zeinab Ahmed Helmy	Production of improved Nile Tilapia by using gene transfer	Fish genetic	_____	Alexandria	Science	2004
132	Essam Mohamed Abdel-mawla	Phytoplankton consumption by grazing zooplankton communities in the Nozha Hydrodrome fish farm and its application in aquaculture	Hydrobiology	_____	Alexandria	Science	2004

133	Hayat Mohasseb Mohammed Faragallah	Chemical fractionation of phosphorus and some heavy metals in suspended matter in water column and in sediment in Abu-Kir bay, Egypt	Pollution	Abu-Kir bay	Alexandria	Science	2004
134	Amal Eskander Philips	Biological Studies On The Main Cichlid Fishes Of The Nozha Hydrodrome, Alexandria - Egypt	Fishery Biology	Nozha Hydrodrome, Alexandria Egypt	Zagazig	Science	2004
135	Khaled Mahmoud Abdel-Salam	Taxonomical And Ecological Studies On Marine Fouling In Alexandria, A.R.E.	Marine Fouling	Alexandria	Alexandria	Science	2004
136	Wafaa Hashem Mahmoud El Menhawey	Paleontological And Ecological Studies On Recent Foraminiferal Assemblages Along the Mediterranean Continental Shelf Of Egypt	Geology	_	Alexandria	Science	2004
137	Hatem Hanafy Mahmoud	Assessment Of Inshore Commercial Fisheries Of Halaieb / Shalatieh Area "Red Sea"	Fishery	Halaieb / Shalatieh Area "Red Sea"	Alexandria	Science	2005
138	Marwa Mahmoud Mazrouh	The Use of Haematological Parameters and Gill Structure to Identify The Surrounding Habital of Cichlids in Lake Manzalah	Fisheyr	Manzalah	Tanta	Science	2005
139	Ghada Farouk El Said Mohamed	Distribution of Fluoride Content In Some Localities Of Egyptian Coastal Water	Chemistry	_	Alexandria	Science	2005
140	Ahmed Abd El-Khlik Ali El-Leithy	Experimental Studies On The Efficiency Of Classical Genetics And Genetic Engineering Techniques In Fish Improving	Zoology	_	Zagazig	Science	2005
141	Hanan Mohamed Abd-El-Naby Mohamed El-Sayed El-Halakka	The Interaction Between Degradation Of Petroleum Hydrocarbons And Accumulation Of Heavy Metals By Bacteria In Polluted Marine Ecosystems	Environmental	_	Alexandria	Institute Of Graduate Studies And Research	2005
142	Abir Ahmed Monir	Desalination Using Different Pertraction Techniques.	Chemical Oceanography	_	Alexandria	Engineering	2005
143	Faiza Ali Abd-El-Naby	Systematic & Environmental Studies on Polychaetes from Alexandria Marine Water	Biology	Marine Sci. Biology	Suez Canal	Science	2005
